

DIAMOND KIOSK

OVERVIEW

The Diamond is an extremely versatile and popular kiosk solution. Sleek and yet functional, the Diamond is fully customisable and upgradeable and can be produced in your choice of colour. It is a flexible, modern kiosk particularly suitable for retail, information centres, production and site offices.

AUSTRALIAN DESIGNED AND MANUFACTURED

Proudly designed and manufactured in Australia, TouchScreen Solutions have full control over the high-end quality workmanship, materials, finish and timing to ensure on-time delivery every time.

ROBUST HD MULTI-TOUCH DISPLAY

With a large vibrant, 19" high clarity touch screen, users can effortlessly interact with your content with standard touch and Windows multi-touch gestures. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability.
