

# Touch Screen TES PRO 43

Designed to look good while working well, this touch screen display's dazzling design and 43" widescreen make it perfect for interactive applications. When that initial customer attraction is required, no other screen stands out more.

## Sleek 43" PCAP Touch Screen

The TES 43" Projected Capacitive Touch Screen has an FHD widescreen aspect ratio LCD screen, premium multi-point projected capacitive touch technology, and VESA mounting capabilities.
